

Hi we are the Cavalier gang; we usually do a serenade at each trial so keep your ears open. You are sure to hear us. I Am Chelsea the youngest at 2 just starting out in agility. My grandmother is Kayla 13, she has competed in agility and has her AAC advanced title and her CKC Intermittent title. My mom, Bailey (6 years), has her Starters title and CKC Intermittent title but she really didn't like doing agility. She likes being with dad. Then there is Casey, my cousin. He is doing pretty well. He has his Master title and some others. Along with that, he was top Cavalier in 2007. Now his nose is higher up. We now have a new addition. 4 year old Faye just joined us in March. She will be starting agility in May. Mom does the handling and training of us all and dad - well he is our cheering section on the side lines but he does help in moving our equipment around and course building at the trials. Well that's about it so hope to see you this summer Clean runs everyone wag wag
