

## Julie Sansregret

I was introduced to Agility over 25 years ago when my first obedience trainer suggested I try agility since my unmanageable Vizsla pup was a bit disturbing in class... Since then, I've owned and ran 5 Vizslas, finished 4 ATChC and 1 LifeTime Achievement Award.

I am a Vet Tech, owner and head trainer of GUIDES CANINS, a busy canine multi sports Center. I've been teaching agility since 1995 and judging since 2001, having the opportunity to witness the evolution of our sport and great performing teams!
