we will update this information as necessary.**

- 1) FACE MASKS are optional unless requested. Please be respectful of everyone.

- 3) DISINFECT YOUR HANDS REGULARLY.
- 4) Follow all Provincial and Municipal guidelines with regard to COVID-19 precautions.
- 5) YOU MAY SET UP in your car or in a shade tent. In both cases, be sure to maintain safe social distancing.
- 6) COURSE MAPS will be emailed 2 hours prior to the start of the first event of the trial. They will also be posted outside the building so you can take a photo with your phone. Do not crowd the map location.
- 7) GENERAL BRIEFING will be on Facebook and emailed before the trial.
- 8) JUDGE'S BRIEFINGS: The judge will specify a location at the site to answer questions during each walk through.
- 9) RUNNING ORDERS: Running Orders will be emailed with the final confirmation.\
- 10) WALK-THROUGHS may be divided into groups. They will be 5 minutes each *with 3 minutes after the walk through for the first dog to be ready on the line.* Face masks may be mandatory during walk throughs.
- 11) GATE STEWARD & CHECK IN: Please check in at the gate. It is the handler's responsibility to be on time and ready for your run. Please be sure to maintain social distancing.
- 12) LEASH RUNNER if available, will pick up your dog's leash and leave it at the exit gate. Alternately, competitors may place the dog's leash in their pockets when running the course. The leash must be small enough to fit completely inside the pocket. Note: if the dog grabs the leash while running or jumps at the handler's pocket to attempt to interact with the leash, this will be scored as an "E" (toy in the ring). If the leash falls out of the pocket during the run and the dog does not interact with it, there will be no fault. Ensure your dog is on leash before you leave the ring.
- 13) TIMER & SCRIBE: Please sanitize your hands before entering and exiting the ring.
- 14) COURSE BUILDERS & RING CREW: Please sanitize your hands before entering and exiting the ring. Face masks may be required. Ring Crew may wish to bring/use their own chairs.

- 16) TRAINING BUILDING: The building remains closed to competitors. Only the Judge, Trial Secretary, Scorekeeper, Host and Big Sky owner have access. If you need to speak to any of these individuals, please see them outside at a safe distance. Indoor crating is not available (above mentioned authorized persons excepted).
- 17) RESULTS will be posted in the area of the course maps. Please do not crowd the area. Take a photo and move on if others are waiting.
- 18) RIBBONS and ROSETTES will be provided upon request. Please let us know and we will be happy to make them available for you.
- 19) DOG MEASURING: Dogs over 2 years of age must have at least one official measurement recorded on their Dog ID Card up to June 30th, 2022. In order to limit unnecessary contact and to eliminate the need for measuring at every trial, judges will provide a one-time measure for dogs under 2 years. A temporary COVID-19 measurement card will be e-mailed to the handler to be used during this time. Dogs under 2 years of age may compete with their temporary card until they reach 2 years of age, at which point they will require an official measurement. If your dog requires measuring, you may be required to wear a mask as this procedure may cause you to come in close contact with our judge.

If you don't agree with any of the above rules please join us again when things change.
