

## SANDY MACDAVID

Thank you for asking me to judge! I look forward to designing safe and flowing courses for you in September.

I am the owner and head coach at ActOn Agility in Hamilton, ON. I am thankful to live on 5 acres, have 2 agility rings and share my home with a Mini Aussie and three Australian Cattle Dogs.

I got hooked on agility more than 20 years ago and became an AAC judge in 2006. Over the years, I have judged and competed in several different agility events, attended many Regional and National events and continue to train, teach, judge, host trials and compete today.

I hope everyone has a wonderful time and wish you much success!
