

Hello TAC competitors and friends!

My name is Robin Robbs and I was born and raised right here in Kingston Ontario. My agility adventure started in 2000 with my very first Labrador Retriever by the name of Chimera. My sister was taking classes and talked me into joining her. Chimera excelled at the sport and I loved it too! In 2007 I decide to become an AAC Agility Judge. I passed the requirements in 2008. It's been a fun experience as I get to enjoy travelling across Canada, meeting new people and judging lots of wonderful teams. Now, 5 yellow Labs, 3 ATChCs, 2 Lifetimes and countless other titles including Regionals and Nationals accomplishments later, I am still having a blast learning and pushing myself a little more. Pictured with me is Siren (9 years old) and my new red superstar Banshee (17 months old).

I am so pleased to be the first judge at this fabulous facility. I wish The Agility Connection all the best with this new venture and hope I will be competing here as well some day!

Best of luck competitors! See you in the ring.
